

Thoughtfully sourced. Deliciously prepared.

We use whole, fresh ingredients sourced responsibly from local and trusted partners. We avoid anything artificial or processed, especially nitrites, HFCS, artificial sweeteners or preservatives, and hydrogenated oils. We source fresh antibiotic-free chicken and beef and we serve only organic when it comes to the "dirty dozen."

Wholesome lunches kids love.

Choices, choices.

From fresh salads and wraps to cheese pizza and everything in between, Choicelunch offers choices for all palates.

Simple ordering.

Whether you prefer our iPhone or Android mobile apps or our website, ordering is a snap. Customize your student's menu by setting favorites or filtering selections based on food allergies.
