**MISCELLANEOUS COMPLAINTS**

The district and Governing Board desire to provide appropriate opportunities for parents, guardians, students, community members, and employees to complain about or suggest improvements in district activities and operations. To this end, the Board and district administration have adopted numerous policies and administrative regulations providing effective procedures for receiving, investigating, and resolving complaints.

The Board also recognizes that the wide variety of interactions that the district has with parents, guardians, community, employees and students may result in complaints concerning policies, operations, programs and/or district employees that cannot be addressed through other district complaint processes. The Board directs the Superintendent to establish a miscellaneous complaint procedure to respond to these complaints.

The Board encourages complainants to resolve problems early and informally whenever possible. If a problem remains unresolved, the individual should submit a formal written complaint as early as possible in accordance with appropriate district procedures. District procedures shall be readily accessible to the public. Persons wishing to make a complaint must complete a "Complaint Form" available in the office of the Superintendent, who will review and consider all submitted complaints and will direct the complaint to the appropriate Compliance Officer. Whenever a complaint is against the Superintendent or a Board member, the Board may designate a third party to investigate the complaint.

As a legislative body, the Board welcomes public comment on every aspect of district operations. Acting in its legislative capacity, the Board considers community criticisms and suggestions in shaping district policy, designing programs, and establishing district goals. The Board protects employee privacy during open Board meetings by refusing to listen to name-calling, ridicule, or comments regarding employees' private lives.

As an employer, the Board follows due process and statutory and negotiated procedures when evaluating staff performance, investigating allegations of staff misconduct, imposing appropriate discipline, and recognizing achievement. The Board protects employee privacy by confining Board criticism of employee conduct and attitude to the evaluation and disciplinary process.

Although individual Board members and district personnel who are approached with complaints about the district may listen to those complaints, they should advise the complainant that they as individuals cannot resolve complaints. Board and staff members should invite complainants to submit a Complaint Form to the Superintendent.

MISCELLANEOUS COMPLAINTS

1. Covered Complaints

a. This Miscellaneous Complaint Regulation covers the following complaints:

- (1) Complaints not covered by other district complaint procedures.
- (2) Complaints against district employees, unless such a complaint is covered by another district complaint procedure.

2. The Complaint

a. Any individual may file a written complaint under this procedure. If the complaint concerns a district employee, whenever possible, the complainant should try to resolve the complaint personally with the employee before filing a complaint under this procedure.

b. Each complaint must be submitted in writing on a district Miscellaneous Complaint Form signed by the complainant. District Miscellaneous Complaint Forms are available from school principals, from the district office and on the district's web site.

c. The complainant shall submit a completed Miscellaneous Complaint Form to the Superintendent's office.

d. The Superintendent will first verify that this Miscellaneous Complaints Regulation covers the complaint. If the complaint involves a matter for which district policies provide another complaint process, the district will process the complaint under the appropriate procedure. If this Miscellaneous Complaints Regulation covers the complaint, the Superintendent normally will refer the complaint as follows:

- (1) If the complaint concerns a district employee, to the employee's supervisor.
- (2) If the complaint concerns non-personnel matters, to the district official responsible for the complaint's subject matter.
- (3) If the complaint is against the Superintendent, or a Governing Board member, the Superintendent shall notify the Board. The Board may choose to designate an independent third party to conduct the investigation.

e. If the complaint is against a district employee, the employee shall be informed, in writing, of the complaint and its content in accordance with any applicable collective bargaining agreement.

f. The "Compliance Officer" referred to in this procedure is the district employee designated by the Superintendent to investigate and propose a resolution for the complaint.

MISCELLANEOUS COMPLAINTS

3. Investigation And Resolution

- a. The compliance officer will investigate the complaint and may meet with the complainant, witnesses, any involved employees including the employee(s) who may be the subject of a complaint, and other district personnel as necessary in an attempt to ascertain the facts and to resolve the complaint. If the complaint concerns district employees, the district will also follow any relevant collective bargaining agreements in investigating and resolving the complaint.
- b. The compliance officer will attempt to complete the investigation and offer a proposed resolution as expeditiously as possible and usually within 30 days.
- c. The district will implement the proposed resolution unless the complainant appeals in accordance with Section 4.

4. Appeal

- a. If the complaint concerns a district employee and no other established procedure provides an appeal, the complainant may appeal the compliance officer's decision by filing a written statement of unresolved issues with the Superintendent within two calendar weeks after receiving the compliance officer's proposed resolution. The appeal shall include a copy of the complaint, a copy of the compliance officer's proposed resolution, and a written statement of the remedy the complainant seeks. The Superintendent shall consider the written appeal and may conduct further investigation. The Superintendent will issue a proposed resolution usually within 30 days after completing the review and any further investigation and will mail the proposed resolution to the complainant. A complainant who is not satisfied with the proposed resolution may appeal under Section 4.02.
- b. If the complainant does not accept the Superintendent's proposed resolution, the complainant may ask the Board to consider the complaint by submitting a written request to the Superintendent to place the matter on the Board agenda. The request shall include a copy of the complaint, a copy of the Superintendent's and compliance officer's proposed resolutions, a written statement of unresolved issues, and the remedy the complainant seeks. The complainant shall submit the request within two calendar weeks after receiving the Superintendent's proposed resolution.
- c. In appropriate circumstances, the Superintendent may ask the complainant and appropriate district staff to continue their efforts to resolve the complaint. If the complainant declines or if continued efforts do not resolve the matter, the Superintendent will schedule the appeal.

5. Board Action

- a. The Superintendent will schedule the appeal for a regularly scheduled Board meeting and will provide the Board with copies of the complainant's appeal request and with any additional materials required to explain the compliance officer's proposed resolution or rejection of the complainant's proposed remedy. The Superintendent shall provide the complainant with copies of these additional materials.

MISCELLANEOUS COMPLAINTS

b. Considering the written materials and any additional information it requests at the meeting or deems relevant, the Board shall decide what action, if any, the district will take to resolve the complaint. Concerning complaints against employees, the Board shall not discipline employees but may direct the Superintendent to initiate appropriate procedures if the Board believes that disciplinary action against an employee may be warranted.

c. The Board will consider all complaints against district employees in closed session. The Board will consider all other matters in open session unless state law allows or requires the matter to be considered in closed session.

d. The Board's decision shall be final.

6. General Provisions

a. Confidentiality. To the extent possible, the district shall conduct complaint investigations in a manner that protects the privacy of the parties and witnesses and the confidentiality of complaints, allegations, and facts.

b. Retaliation. The district will take necessary steps to protect complainants from retaliation. If the complainant is a student's parent or guardian, the district will take necessary steps to protect the student from retaliation.

c. Access To Legal Counsel. The Superintendent may authorize the compliance officer or other district investigator to consult with district counsel to ensure that the investigation follows correct procedures and meets legal standards.

d. Outside Investigator. The Superintendent may designate an outside third party to conduct any complaint investigation.

7. Child Abuse Or Neglect

Any complaint of child abuse or neglect against a district employee shall be reported to appropriate local agencies in accordance with law, Board policy, and administrative regulations.

(cf. 1312.2 - Complaints Concerning Instructional Materials)

(cf. 1312.3 - Uniform Complaint Procedures)

(cf. 1312.4 - Williams Uniform Complaint Procedures)

**UNIFORM COMPLAINT PROCEDURES**

The Governing Board recognizes that the district is primarily responsible for complying with applicable state and federal laws and regulations governing educational programs. The district shall investigate complaints alleging failure to comply with such laws and/or alleging discrimination and shall seek to resolve those complaints in accordance with the district's uniform complaint procedures. (5 CCR 4620)

The district shall follow uniform complaint procedures when addressing complaints alleging unlawful discrimination against any protected group as identified under Education Code 200 and 220 and Government Code 11135, including actual or perceived sex, sexual orientation, gender, ethnic group identification, race, ancestry, national origin, religion, color, or mental or physical disability, or age, or on the basis of a person's association with a person or group with one or more of these actual or perceived characteristics in any district program or activity that receives or benefits from state financial assistance. (5 CCR 4610)

Uniform complaint procedures shall also be used when addressing complaints alleging failure to comply with state and/or federal laws in consolidated categorical aid programs, migrant education, child nutrition programs, and special education programs. (5 CCR 4610)

(cf. 1312.4 - Williams Uniform Complaint Procedures)

The Board encourages the early, informal resolution of complaints at the site level whenever possible.

The Board acknowledges and respects every individual's right to privacy. Discrimination complaints shall be investigated in a manner that protects the confidentiality of the parties and the integrity of the process. This may include keeping the identity of the complainant confidential, as appropriate and except to the extent necessary to carry out the investigation or proceedings, as determined by the Superintendent or designee, on a case-by-case basis.

The Board prohibits any form of retaliation against any complainant in the complaint process, including but not limited to a complainant's filing of a complaint or the reporting of instances of discrimination. Such participation shall not in any way affect the status, grades or work assignments of the complainant.

The Board recognizes that a neutral mediator can often suggest a compromise that is agreeable to all parties in a dispute. In accordance with uniform complaint procedures, whenever all parties to a complaint agree to try resolving their problem through mediation, the Superintendent or designee shall initiate that process. ## UNIFORM COMPLAINT PROCEDURES

(cf. 5145.6 - Parental Notifications)

### Procedures

The following procedures shall be used to address all complaints which allege that the district has violated federal or state laws or regulations governing educational programs. Compliance officers shall maintain a record of each complaint and subsequent related actions, including all information required for compliance with 5 CCR 4631 and 4633.

All parties involved in allegations shall be notified when a complaint is filed, when a complaint meeting or hearing is scheduled and when a decision or ruling is made.

### Step 1: Filing of Complaint

Any individual, public agency or organization may file a written complaint of alleged noncompliance by the district. (5 CCR 4630)

A complaint alleging unlawful discrimination shall be initiated no later than six months from the date when the alleged discrimination occurred, or six months from the date when the complainant first obtained knowledge of the facts of the alleged discrimination. A complaint may be filed by a person who alleges that he/she personally suffered unlawful discrimination or by a person who believes that an individual or any specific class of individuals has been subjected to unlawful discrimination. (5 CCR 4630)

The complaint shall be presented to the compliance officer who shall maintain a log of complaints received, providing each with a code number and a date stamp.

If a complainant is unable to put a complaint in writing due to conditions such as illiteracy or other disabilities, district staff shall help him/her to file the complaint. (5 CCR 4600)

### Step 2: Mediation

Within three days of receiving the complaint, the compliance officer may informally discuss with the complainant the possibility of using mediation. If the complainant agrees to mediation, the compliance officer shall make all arrangements for this process.

Before initiating the mediation of a discrimination complaint, the compliance officer shall ensure that all parties agree to make the mediator a party to related confidential information.

If the mediation process does not resolve the problem within the parameters of law, the compliance officer shall proceed with his/her investigation of the complaint.

The use of mediation shall not extend the district's timelines for investigating and resolving the complaint unless the complainant agrees in writing to such an extension of time. (5 CCR 4631)

**UNIFORM COMPLAINT PROCEDURES****Step 3: Investigation of Complaint**

The compliance officer is encouraged to hold an investigative meeting within five days of receiving the complaint or an unsuccessful attempt to mediate the complaint. This meeting shall provide an opportunity for the complainant and/or his/her representative to repeat the complaint orally.

The complainant and/or his/her representative shall have an opportunity to present the complaint and evidence or information leading to evidence to support the allegations in the complaint. (5 CCR 4631)

A complainant's refusal to provide the district's investigator with documents or other evidence related to the allegations in the complaint, or his/her failure or refusal to cooperate in the investigation or his/her engagement in any other obstruction of the investigation, may result in the dismissal of the complaint because of a lack of evidence to support the allegation. (5 CCR 4631)

The district's refusal to provide the investigator with access to records and/or other information related to the allegation in the complaint, or its failure or refusal to cooperate in the investigation or its engagement in any other obstruction of the investigation, may result in a finding, based on evidence collected, that a violation has occurred and may result in the imposition of a remedy in favor of the complainant. (5 CCR 4631)

**Step 4: Response**

Unless extended by written agreement with the complainant, the compliance officer shall prepare and send to the complainant a written report of the district's investigation and decision, as described in Step #5 below, within 60 days of the district's receipt of the complaint. (5 CCR 4631)

**Step 5: Final Written Decision**

The report of the district's decision shall be in writing and sent to the complainant. (5 CCR 4631)

The district's decision shall be written in English and in the language of the complainant whenever feasible or as required by law.

The decision shall include:

1. The findings of fact based on the evidence gathered (5 CCR 4631)
2. The conclusion(s) of law (5 CCR 4631)
3. Disposition of the complaint (5 CCR 4631)
4. Rationale for such disposition (5 CCR 4631)
5. Corrective actions, if any are warranted (5 CCR 4631)
6. Notice of the complainant's right to appeal the district's decision within 15 days to the CDE and procedures to be followed for initiating such an appeal (5 CCR 4631)
7. For discrimination complaints, notice that the complainant must wait until 60 days have elapsed from the filing of an appeal with the CDE before pursuing civil law remedies (Education Code 262.3)

**UNIFORM COMPLAINT PROCEDURES**

If an employee is disciplined as a result of the complaint, this report shall simply state that effective action was taken and that the employee was informed of district expectations. The report shall not give any further information as to the nature of the disciplinary action.

**Appeals to the California Department of Education**

If dissatisfied with the district's decision, the complainant may appeal in writing to the CDE within 15 days of receiving the district's decision. When appealing to the CDE, the complainant must specify the basis for the appeal of the decision and whether the facts are incorrect and/or the law has been misapplied. The appeal shall be accompanied by a copy of the locally filed complaint and a copy of the district's decision. (5 CCR 4632)

Upon notification by the CDE that the complainant has appealed the district's decision, the Superintendent or designee shall forward the following documents to the CDE: (5 CCR 4633)

1. A copy of the original complaint
2. A copy of the decision
3. A summary of the nature and extent of the investigation conducted by the district, if not covered by the decision
4. A copy of the investigation file, including but not limited to all notes, interviews, and documents submitted by the parties and gathered by the investigator
5. A report of any action taken to resolve the complaint
6. A copy of the district's complaint procedures
7. Other relevant information requested by the CDE

The CDE may directly intervene in the complaint without waiting for action by the district when one of the conditions listed in 5 CCR 4650 exists, including cases in which the district has not taken action within 60 days of the date the complaint was filed with the district.

**Civil Law Remedies**

A complainant may pursue available civil law remedies outside of the district's complaint procedures. Complainants may seek assistance from mediation centers or public/private interest attorneys. Civil law remedies that may be imposed by a court include, but are not limited to, injunctions and restraining orders. For discrimination complaints, however, a complainant must wait until 60 days have elapsed from the filing of an appeal with the California Department of Education before pursuing civil law remedies. The moratorium does not apply to injunctive relief and is applicable only if the district has appropriately, and in a timely manner, apprised the complainant of his/her right to file a complaint in accordance with 5 CCR 4622.

**TOBACCO-FREE SCHOOLS**

**ENVIRONMENTAL SAFETY**

**Air Quality**

The Superintendent or designee shall ensure that the following measures are taken in order to reduce indoor air contaminants:

1. Heating, ventilating and air conditioning systems shall be operated, inspected and maintained in accordance with 8 CCR 5142-5143. School buildings shall be inspected annually to ensure they have adequate ventilation systems, which are properly maintained so as to preclude the buildup of mold, mildew, and other air contaminants. Filters shall be changed frequently.
2. Indoor painting of school buildings shall be limited to those times when school is not in session.
3. Low-emission cleaning products shall be used whenever possible, and custodial duties that require polluting products shall be performed after classes are dismissed.
4. Paints, adhesives and solvents shall be used and stored in well-ventilated areas; these items shall be purchased in small quantities to avoid storage exposure.
5. Exterior wall and foundation cracks and openings shall be sealed as soon as possible, to control exposure to radon.
6. Water-damaged ceiling tiles, carpet, and other building materials shall be removed as soon as practicable.
7. Plain water or soap and water shall be used as cleaning agents; aerosols, including air fresheners, shall be avoided.
8. Pest control measures shall involve the use of integrated pest management (IPM) procedures.

(cf. 3514.2 - Integrated Pest Management)

**Lead Exposure Reduction**

The following steps shall be taken to minimize potential exposure to lead:

1. Painted surfaces shall be kept intact whenever possible. To minimize lead dust during maintenance operations, a tarp or plastic shall be placed under paint removal operations to collect old paint debris, paint shall be dampened before removing it with a scraper, nearby surfaces shall be cleaned with a wet mop or cloth after the job is completed, a High Efficiency Particulate Air (HEPA) attachment may be used on power sanders, and clean-up may be conducted with HEPA vacuums to remove lead dust. An open flame shall not be used to remove old paint.
2. Soil with high lead content may be covered with grass, other plantings, concrete or asphalt. Children's access to bare soil shall be limited.
3. When drinking water is found to have unacceptable levels of lead, water outlets shall be flushed daily

**ENVIRONMENTAL SAFETY**

for at least 30 seconds prior to use. The Superintendent or designee also may reduce lead concentrations in the source water, install a corrosion control device at the school's point of entry, or provide bottled water as appropriate.

4. Lead exposure hazards shall be evaluated before any renovation or remodeling is begun, and children shall not be allowed in or near buildings in which these activities may create lead dust. Contractors and workers shall comply with state and federal standards related to the handling and disposal of lead debris and the clean-up and containment dust within the construction area.

5. The Superintendent or designee may provide parents/guardians and students with information about the prevention of lead poisoning.

(cf. 5141.32 - Child Health and Disability Prevention Program)

6. Remedial action to abate existing lead hazards shall be taken only by personnel qualified in accordance with law. (Education Code 32243)

**Asbestos Testing and Abatement**

Maintenance staff shall be trained in the location, identification, proper cleaning and ongoing maintenance of asbestos-containing materials and in the removal and decontamination of small amounts of such materials when needed to repair pipes or perform similar duties. Extensive asbestos abatement work shall be completed by state-certified asbestos abatement contractors in compliance with state and federal standards.

The district's complete, updated management plan for material containing asbestos in school buildings shall be available for inspection in district and school offices during normal business hours. Parent, teacher and employee organizations shall annually be informed of the availability of this plan. (40 CFR 763.93)

(cf. 3580 - District Records)

(cf. 4112.9/4212.9/4312.9 - Employee Notifications)

(cf. 5145.6 - Parental Notifications)

**Other Environmental Safety Precautions**

Principals or their designees shall enforce school rules designed to:

1. Prevent the accumulation of flammable, noxious or otherwise dangerous materials unless adequate safeguards are provided

(cf. 6161.3 - Toxic Art Supplies)

2. Keep all school facilities free of debris

3. Keep walkways at all times open to pedestrian traffic and clear of obstructions

**HAZARDOUS SUBSTANCES**

The Governing Board recognizes that potentially hazardous substances are used in the daily operations of our schools. The Superintendent or designee shall ensure these substances are inventoried, used, stored and regularly disposed of in a safe and legal manner.

Insofar as possible, the Superintendent or designee shall minimize the quantities of hazardous substances stored on school property and shall substitute less dangerous materials for hazardous substances.

**Hazard Communication Program**

The Superintendent or designee shall develop, implement and monitor a written hazard communication program in accordance with state law. As part of this program, he/she shall ensure that employees are fully informed about the properties and potential hazards of substances to which they may be exposed and that material safety data sheets are readily accessible to them.

Teachers shall instruct students about the importance of proper handling, storage, disposal and protection when using any potentially hazardous substance.

**NONDISCRIMINATION IN EMPLOYMENT**

Unlawful discrimination or harassment of an individual includes:

1. Slurs, epithets, threats or verbal abuse
2. Derogatory or degrading comments, descriptions, drawings, pictures or gestures
3. Unwelcome jokes, stories, teasing or taunting
4. Any other verbal, written, visual or physical conduct against the individual which:
  - a. Adversely affects his/her employment opportunities, or
  - b. Has the purpose or effect of unreasonably interfering with his/her work performance or creating an intimidating, hostile or offensive work environment

Any employee or job applicant who feels that he/she has been or is being unlawfully discriminated against or harassed should immediately contact his/her supervisor, the nondiscrimination coordinator or the Superintendent in order to obtain procedures for reporting a complaint. Such complaints shall be filed in accordance with AR 4031 - Complaints Concerning Discrimination in Employment. An employee may bypass his/her supervisor when the supervisor is the alleged offender.

(cf. 4031 - Complaints Concerning Discrimination in Employment)  
(cf. 4119.11/4219.11/4319.11 - Sexual Harassment)

Any supervisor who receives a discrimination/harassment complaint shall immediately notify the nondiscrimination coordinator or the Superintendent, who shall ensure that the complaint is appropriately investigated in accordance with district policy and regulations.

The Superintendent or designee shall ensure that annual training is provided to all employees regarding the issues of discrimination.

**COMPLAINTS CONCERNING DISCRIMINATION IN EMPLOYMENT**

The following procedures shall be used when a district employee or job applicant has a complaint alleging that a specific action, policy, procedure or practice discriminates against him/her on any basis specified in the district's nondiscrimination policies.

- (cf. 0410 - Nondiscrimination in District Programs and Activities)
- (cf. 4030 - Nondiscrimination in Employment)
- (cf. 4032 - Reasonable Accommodation)
- (cf. 4119.11/4219.11/4319.11 - Sexual Harassment)

1. The complaint should be initiated promptly after a complainant knew, or should have known, of the alleged discrimination.
2. All parties involved in allegations of discrimination shall be notified when a complaint is filed, when a complaint meeting or hearing is scheduled, and when a decision or ruling is made. The parties also shall be notified of their right to appeal the decision to the next level.
3. When a complaint is brought against the individual responsible for the complaint process at any level, the complainant may address the complaint directly to the next appropriate level.
4. Meetings related to a complaint shall be held at times the district determines appropriate to the circumstances.
5. For the protection of all the parties involved, complaint proceedings shall be kept confidential insofar as appropriate.
6. All documents, communications and records dealing with the investigation of the complaint shall be placed in a confidential district personnel complaint file and not in the employee's individual personnel file.

- (cf. 1340 - Access to District Records)
- (cf. 3580 - District Records)
- (cf. 4112.6/4212.6/4312.6 - Personnel Files)

7. Time limits specified in these procedures may be revised only by written agreement of all parties involved. If the district fails to respond within a specified or adjusted time limit, a complainant may proceed to the next level. If a complainant fails to take the complaint to the next step within the prescribed time, the complaint shall be considered settled at the preceding step.

Level I

The complainant shall first meet informally with his/her supervisor or the administrator of the school where the alleged discriminatory act occurred. A complaint regarding discrimination away from the school site should be discussed informally with the complainant's supervisor. If the complainant's concerns are not clear or cannot be resolved through informal discussion, the supervisor or other administrator shall prepare, within 10 working days, a written summary of his/her meeting(s) with the complainant. This report shall be made available to the

**COMPLAINTS CONCERNING DISCRIMINATION IN EMPLOYMENT**

nondiscrimination coordinator (coordinator) designated by the Governing Board in BP 4030 - Nondiscrimination in Employment.

Level II

If a complaint cannot be resolved to the satisfaction of the complainant at Level I, he/she may submit a formal written complaint to the coordinator within 10 working days of his/her attempt to resolve the complaint informally. The written complaint shall include the following:

1. The complainant's name, address and telephone number
2. The name and work location of the district staff member who committed the alleged violation
3. A description of the alleged discriminatory act(s) or omission(s)
4. The discriminatory basis alleged
5. A specific description of the time, place, nature, participants in and witnesses to the alleged violation
6. Other pertinent information which may assist in investigating and resolving the complaint
7. The complainant's signature or that of his/her representative

The coordinator shall assign a staff member to assist the complainant with this writing if such help is needed. The coordinator shall respond to the complaint in writing within 10 working days.

The coordinator shall conduct any investigation necessary to respond to the complaint, including discussion with the complainant, person(s) involved, appropriate staff members and students, and review of the Level I report and all other relevant documents. If a response from third parties is necessary, the coordinator may designate up to 10 additional working days for investigation of the complaint.

Level III

If the complaint cannot be resolved at Level II, either party may present the complaint to the Superintendent or designee within 10 working days. The Superintendent or designee shall review the Level II investigation file, including the written complaint and all responses from district staff. The Superintendent or designee shall respond to the complaint in writing within 10 working days.

If the Superintendent or designee finds it necessary to conduct further investigation, he/she may designate up to 10 additional working days for such investigation and shall respond to the complaint in writing within 10 working days of completing the investigation.

Level IV

**COMPLAINTS CONCERNING DISCRIMINATION IN EMPLOYMENT**

If the matter is not resolved at Level III, either party may file a written appeal to the Board within 10 working days after receiving the Level III response. The Superintendent or designee shall provide the Board with all information presented at previous levels.

The Board shall grant the hearing request for the next regular Board meeting for which the matter can be placed on the agenda. Any complaint against a district employee shall be addressed in closed session in accordance with law. The Board shall render its decision within 10 working days.

(cf. 1312.1 - Complaints Concerning District Employees)

(cf. 9321 - Closed Session Purposes and Agendas)

**Other Remedies**

Complainants may appeal the Board's action to the California Department of Education. **REASONABLE ACCOMMODATION**

Definitions

Disability, with respect to an individual, is defined as any of the following: (Government Code 12926; 29 CFR 1630.2)

1. A physical or mental impairment that limits one or more of the major life activities
2. A record of such an impairment
3. Being regarded as having such an impairment

Limits shall be determined without regard to mitigating measures such as medications, assistive devices, prosthetics or reasonable accommodations, unless the mitigating measure itself limits a major life activity. (Government Code 12926)

Essential functions are the fundamental job duties of the position the individual with a disability holds or desires. The term does not include the marginal functions of the position. (29 CFR 1630.2)

Reasonable accommodations that an employer may need to provide in connection with modifications to the work environment or adjustments in how and when a job is performed that enable an individual with a disability to enjoy equal employment opportunities include, but are not limited to: (29 CFR 1630.2)

1. Making existing facilities accessible and usable
2. Restructuring the job duties
3. Offering part-time or modified work schedules
4. Acquiring or modifying equipment or devices
5. Changing tests, training materials or policies
6. Providing qualified readers or interpreters
7. Reassigning the employee to a vacant position

Qualified individual with a disability means an individual with a disability who satisfies the requisite skill, experience, education and other job-related requirements of the employment position and who, with or without reasonable accommodation, can perform the essential functions of such position. (29 CFR 1630.2)

Undue hardship is a determination based on an individualized assessment of current circumstances that shows that a specific reasonable accommodation would cause significant difficulty or expense. A determination of undue hardship should be based on several factors, including: (29 CFR 1630.2)

1. The nature and cost of the accommodation needed
2. The overall financial resources of the facility making the reasonable accommodation, the number of persons employed at this facility, the effect on expenses and resources of the facility, or the impact on the operations of the facility
3. The overall financial resources, size, number of employees, and the number, type and location of facilities of the district

**REASONABLE ACCOMMODATION**

4. The type of operation of the employer, including the structure and functions of the workforce, the geographic separateness, and the administrative or fiscal relationship of the facility involved in making the accommodation
5. The impact of the accommodation on the operation of the facility

**Requests for Reasonable Accommodation**

The district designates the position specified in BP 4030 - Nondiscrimination in Employment to coordinate its efforts to comply with the Americans with Disabilities Act (ADA) and to investigate complaints.

(cf. 4030 - Nondiscrimination in Employment)  
(cf. 4031 - Complaints Concerning Discrimination in Employment)

When requesting reasonable accommodation, the employee or employee's representative shall inform the employee's supervisor that he/she needs a change at work for a reason related to a medical condition.

When requesting reasonable accommodation during the hiring process, a job applicant shall inform the district's coordinator for nondiscrimination in employment (the coordinator) that he/she will need a reasonable accommodation for the process.

Employees' requests for reasonable accommodation may first be considered informally by the site administrator. The site administrator shall consult with the coordinator before any decision as to accommodation is made.

When the disability and/or the need for accommodation is not obvious, the coordinator may ask the employee to supply reasonable documentation about his/her disability. In requesting this documentation, the coordinator shall specify the types of information that are being sought about the employee's condition, the employee's functional limitations and the need for reasonable accommodation. The employee may be asked to sign a limited release allowing the district to submit a list of specific questions to the health care or vocational professional.

If the documentation submitted by the employee does not specify the existence of a qualifying disability and explain the need for reasonable accommodation, the district may require the employee to submit to an examination by a health care professional selected and paid for by the district.

Upon receiving a request to reasonably accommodate a qualified employee with a disability, the coordinator shall:

1. Determine the essential functions of the job
2. Engage in an informal, interactive process with the employee to review the request for accommodation, identify the precise limitations resulting from the disability, identify potential means for providing accommodation, and assess their effectiveness
3. Develop a plan for reasonable accommodation without imposing undue hardship on the district

**REASONABLE ACCOMMODATION**

To qualify for a job, an individual shall not pose a significant risk of substantial harm to himself/herself or others in the workplace which cannot be eliminated or reduced by reasonable accommodation.

The determination of whether an individual poses a significant risk of substantial harm to himself/herself or others shall be made on a case-by-case basis and shall be based on objective, factual evidence, taking into consideration the duration of the risks, the nature and severity of the potential harm, the likelihood that the potential harm will occur and the imminence of potential harm. (29 CFR 1630.2)

The coordinator may confer with the site administrator, the district medical advisor and/or other district staff before making a final decision as to the accommodation.

Appeal Process

If the employee or applicant is not satisfied with the decision of the coordinator, he/she may appeal in writing to the Superintendent or designee. This appeal shall be made within 10 days of receiving the decision and shall include:

1. A clear, concise statement of the reasons for the appeal
2. A statement of the specific remedy sought

The Superintendent or designee shall consult with the coordinator and review the appeal, together with any available supporting documents. The Superintendent or designee shall give the employee or applicant his/her decision within 15 working days of receiving the appeal.

Any further appeal for reasonable accommodation shall be considered a complaint concerning discrimination in employment and may be taken to the Governing Board in accordance with the district's procedure for such complaints.

Employees should be aware that computer files and communications over electronic networks, including e-mail and voice mail, are not private. These technologies shall not be used to transmit confidential information about students, employees or district operations without authority.

The Superintendent or designee shall ensure that all district computers with Internet access have a technology protection measure that prevents access to visual depictions that are obscene or child pornography, and that the operation of such measures is enforced. The Superintendent or designee may disable the technology protection measure during use by an adult to enable access for bona fide research or other lawful purpose. (20 USC 7001; 47 USC 254)

To ensure proper use of the system, the Superintendent or designee may monitor the district's technological resources, including e-mail and voice mail systems, at any time without advance notice or consent. If passwords are used, they must be known to the Superintendent or designee so that he/she may have system access.

The Superintendent or designee shall establish administrative regulations which outline employee obligations and responsibilities related to the use of district technology. He/she also may establish guidelines and limits on the use of technological resources. Inappropriate use shall result in a cancellation of the employee's user privileges, disciplinary action and/or legal action in accordance with law, Board policy and administrative regulations.

In determining a reasonable accommodation of the employee's condition, the Superintendent or designee may consult with public health officials or physicians with expertise in the diagnosis and treatment of infectious disease. The Superintendent or designee may also communicate with the employee's physician regarding the employee's ability to perform the essential requirements of the job with reasonable accommodation and without posing significant health or safety risks to the employee or others.

The Superintendent or designee shall prepare a confidential report which includes his/her recommendation and the medical information upon which it is based. These recommendations shall take into consideration:

1. The nature of the disease and the probability of its being transmitted, including the duration and severity of the risk
2. The physical condition of the employee, including diagnosis, treatment, and prognosis of the condition
3. The actual requirements of the employee's job and the expected type of interaction with others in the school setting

This report shall be forwarded to the Board for confidential review and action.

The job assignment of an employee with a disabling infectious disease shall be reevaluated whenever there is a change in medical knowledge or in the employee's medical regimen or health which might affect his/her assignment.

**EMPLOYEES WITH INFECTIOUS DISEASE**

Confidentiality

The Board and the Superintendent or designee shall ensure that employee rights to confidentiality are strictly observed. The district shall disclose medical record information only to the extent required or permitted by law. ## UNIVERSAL PRECAUTIONS

### Definitions

Universal precautions are an approach to infection control. All human blood and certain human body fluids, including but not limited to semen, vaginal secretions and any body fluid that is visibly contaminated with blood, are treated as if known to be infectious for human immunodeficiency virus (HIV), hepatitis B virus (HBV), hepatitis C virus (HCV) and other bloodborne pathogens. (8 CCR 5193(b))

Personal protective equipment includes specialized clothing or equipment worn or used for protection against a hazard. General work clothes such as uniforms, pants, shirts or blouses not intended to function as protection against a hazard are not considered to be personal protective equipment. (8 CCR 5193(b))

A sharp is any object that can be reasonably anticipated to penetrate the skin or any other part of the body and to result in an exposure incident. (8 CCR 5193(b))

Engineered sharps injury protection is a physical attribute built into a needle device or into a non-needle sharp which effectively reduces the risk of an exposure incident. (8 CCR 5193(b))

### Employee Information

The Superintendent or designee shall distribute to employees information provided by the California Department of Education regarding acquired immune deficiency syndrome (AIDS), AIDS-related conditions, and hepatitis B. This information shall include, but not be limited to, any appropriate methods employees may use to prevent exposure to AIDS and hepatitis B, including information concerning the availability of a vaccine to prevent contraction of hepatitis B, and that the cost of this vaccination may be covered by the health plan benefits of the employees. Information shall be distributed at least annually, or more frequently if there is new information supplied by the California Department of Education. (Health and Safety Code 120875, 120880)

(cf. 4112.9/4212.9/4312.9 - Employee Notifications)

(cf. 4119.42/4219.42/4319.42 - Exposure Control Plan for Bloodborne Pathogens)

### Infection Control Practices

The Superintendent or designee shall ensure that the worksite is effectively maintained in a clean and sanitary condition, and shall implement an appropriate written schedule for cleaning and decontamination of the worksite. (8 CCR 5193(d))

Where occupational exposure remains after the institution of engineering and work practice controls, the Superintendent or designee shall provide appropriate personal protective equipment at no cost to the employee. Such equipment may include gloves, gowns, masks, eye protection, and other devices that do not permit blood or other potentially infectious materials to pass through or reach the employee's clothes, skin, eyes, mouth or other mucous membranes under normal conditions of use. The Superintendent or designee shall maintain, repair, make accessible and require employees to use and properly handle protective equipment. (8 CCR 5193(d))

**UNIVERSAL PRECAUTIONS**

The Superintendent or designee shall provide handwashing facilities which are readily accessible to employees. When provision of handwashing facilities is not feasible, the Superintendent or designee shall provide an appropriate antiseptic hand cleanser in conjunction with clean cloth or paper towels, or antiseptic towelettes. (8 CCR 5193(d))

For the prevention of infectious disease, employees shall routinely: (8 CCR 5193(d))

1. Perform all procedures involving blood or other potentially infectious materials in such a manner as to minimize splashing, spraying, spattering, and generating droplets of these substances.
2. Use personal protective equipment as appropriate.
  - a. Appropriate clothing, including but not limited to, gowns, aprons, lab coats, clinic jackets or similar outer garments, shall be worn in occupational exposure situations.  
If a garment becomes penetrated by blood or other potentially infectious materials, the employee shall remove the garment immediately or as soon as feasible. All personal protective equipment shall be removed prior to leaving the work area. When removed, it shall be placed in an appropriately designated area or container for storage, washing, decontamination or disposal.
  - b. Gloves shall be worn when it can be reasonably anticipated that the employee may have hand contact with blood, other potentially infectious materials, mucous membranes and nonintact skin, and when handling or touching contaminated items or surfaces.  
Disposable gloves shall be replaced as soon as practical when contaminated, or as soon as feasible if they are torn, punctured, or when their ability to function as a barrier is compromised. They shall not be washed or decontaminated for reuse. Utility gloves may be decontaminated for reuse if the integrity of the gloves is not compromised, but must be discarded if they are cracked, peeling, torn, punctured, or exhibit other signs of deterioration or when their ability to function as a barrier is compromised.
  - c. Masks in combination with eye protection devices or face shields shall be worn whenever splashes, spray, spatter, or droplets of blood or other potentially infectious materials may be generated and eye, nose or mouth contamination can be reasonably anticipated.
3. Wash hands and other skin surfaces thoroughly with soap and running water:
  - a. Immediately or as soon as feasible following contact of hands or any other skin or mucous membranes with blood or other potentially infectious materials
  - b. Immediately after removing gloves or other personal protective equipment  
When handwashing facilities are not available, the employee shall use antiseptic hand cleanser in conjunction with clean cloth or paper towels, or antiseptic towelettes. In such instances, hands shall be washed with soap and running water as soon as feasible.
4. Refrain from eating, drinking, smoking, applying cosmetics or lip balm, or handling contact lenses in work areas with a reasonable likelihood of occupational exposure.
5. Clean and decontaminate all equipment and environmental and work surfaces after contact with blood or other potentially infectious material, no later than the end of the shift or more frequently as required by state regulations.
6. Rather than using the hands directly, use mechanical means such as a brush and dust pan, tongs or forceps to clean up broken glassware which may be contaminated.
7. Use effective patient-handling techniques and other methods designed to minimize the risk of a sharps injury in all procedures involving the use of sharps in patient care.

**UNIVERSAL PRECAUTIONS**

(cf. 5141.21 - Administering Medication and Monitoring Health Conditions)  
(cf. 5141.24 - Specialized Health Care Services)

- a. Needleless systems shall be used to administer medication or fluids, withdraw body fluids after initial venous or arterial access is established, and conduct any other procedure involving the potential for an exposure incident for which a needleless system is available as an alternative to the use of needle devices. If needleless systems are not used, needles or non-needle sharps with engineered sharps injury protection shall be used.
  - b. Contaminated needles or other sharps shall not be broken, bent, recapped, removed from devices, or stored or processed in a manner that requires employees to reach by hand into the containers where these sharps have been placed.
  - c. Disposable sharps shall not be reused.
8. Handle, store, treat and dispose of regulated waste in accordance with Health and Safety Code 117600-118360 and other applicable state and federal regulations.
- a. Immediately or as soon as possible after use, contaminated sharps shall be placed in containers meeting the requirements of 8 CCR 5193(d)(3)(D). Containers shall be easily accessible, maintained upright throughout use where feasible, and replaced as necessary to avoid overfilling.
  - b. Specimens of blood or other potentially infectious material shall be placed in a container which prevents leakage during collection, handling, processing, storage, transport or shipping.

## PUBLICATION OR CREATION OF MATERIALS

The Governing Board recognizes that district employees may create copyrightable materials at work, at home, or both at work and at home. The development of copyrightable materials during, or in part during, the work day shall be approved by the Superintendent or designee. However, the Superintendent or designee's approval or lack of approval shall not affect the district's ownership of copyrights for materials developed during work hours.

Materials written or developed by an employee during the normal school day are considered district property. (Education Code 60076, 17 USC 201)

Materials developed during both school and leisure hours are owned jointly by the employee and the district. In such cases, the Superintendent or designee shall ensure that a contractual agreement is made, clarifying the joint ownership. A partnership entity may be created to hold the copyright on behalf of both parties.

The Board may secure copyrights in the name of the district for all copyrightable works developed by the district. All royalties or revenues from these copyrights shall be used for the benefit of the district. (Education Code 35170)

The Board may market or license any noneducational mainframe electronic software developed by the district. Proceeds from this marketing or licensing shall be used exclusively for educational purposes. (Education Code 35182)

## EMPLOYEE SECURITY

The Governing Board desires to provide a safe, orderly working environment for all employees. As part of the district's comprehensive school safety plan, the Superintendent or designee shall develop strategies for protecting employees from potentially dangerous persons and situations and for assisting them in the event of an emergency situation.

(cf. 0450 - Comprehensive Safety Plan)

(cf. 3515 - Campus Security)

(cf. 5131.4 - Campus Disturbances)

The Superintendent or designee shall ensure that employees are informed, in accordance with law, regarding crimes and offenses by students who may pose a danger in the classroom.

The Board recognizes that access to two-way communications devices allows employees to call for assistance from their supervisor or law enforcement in the event of a threat of violence or medical emergency. The district shall provide such communications devices in classrooms to the extent possible.

**INSTRUCTION**

All district staff shall adhere to the provisions of the federal copyright law and maintain the highest ethical standards in using copyrighted materials. The district shall provide no legal support to any employee who violates the copyright law. Willful infringement of this law by students or staff may result in disciplinary action.

The Governing Board recognizes that computer software piracy contributes to higher costs and decreases commercial incentives for the development of quality educational computer software. In circumstances where the interpretation of the copyright law is ambiguous, the district shall determine appropriate use of computer software by referring to the license agreement and/or policy statements contained in the software packages used in the district. Computer-related instruction for students and staff shall address the ethical and practical problems caused by software piracy.

The Superintendent or designee shall be the only individual who may sign license agreements for software for district schools. Each school using licensed software shall have a signed copy of the software agreement.

The Superintendent or designee shall maintain regulations to discourage violation of all copyright laws and prevent illegal copying activities.

UNITED STATES CODE, TITLE 17

**INSTRUCTION**

Each employee making a reproduction shall first determine whether the copying is permitted by law based on the guidelines below. If the copying is not permitted according to these guidelines, the principal/designee may request permission to reproduce the material from its copyright holders.

Requests for permission to use copyrighted materials shall include the following information:

1. Title, author(s), editor(s) or publisher, producer(s) or distributor.
2. Edition, copyright and/or production year.
3. Exact amount of material to be used (i.e., lines, pages, running time, etc.).
4. Nature of the use (i.e., how many times, when and with whom the material will be used).
5. Number of copies to be made.
6. How the material will be reproduced.
7. If an initial contact was made by phone, the request shall also include the name of the initial contact person.

The following guidelines differentiate between permitted and prohibited uses of printed material, sheet and recorded music, videotapes, films, filmstrips or slide programs, off-air taping (radio or television), and computer software.

**Printed Materials**

**Permitted Uses:**

1. Single copies at the request of an individual teacher:
  - a. A chapter of a book.
  - b. An article from a magazine or newspaper.
  - c. A short story, short essay or short poem, whether or not from a collective work.
  - d. A chart, graph, diagram, drawing, cartoon or a picture from a book, magazine or newspaper.
2. Multiple copies at the request of an individual teacher for classroom use, not to exceed one copy per student in a course:
  - a. A complete poem if less than 250 words and if printed on not more than two pages.

**INSTRUCTION**

- b. An excerpt from a longer poem, not to exceed 250 words.
- c. A complete article, story or essay of less than 2,500 words.
- d. An excerpt from a larger prose work not to exceed 10 percent of the whole or 1,000 words, whichever is less, but in any event a minimum of 500 words.
- e. One chart, graph, diagram, cartoon or picture per book or magazine issue.

All preceding copies must bear the copyright notice. They may be made only at the discretion of the individual teacher on occasions when a delay to request permission would preclude their most effective instructional use.

**Prohibited Uses:**

- 1. Copying more than one work or two excerpts from a single author during one class term.
- 2. Copying more than three works from a collective work or periodical volume during one class term.
- 3. Copying materials for more than one course in the school where the copies are made.
- 4. More than nine sets of multiple copies for distribution to students in one class term.
- 5. Copying used to create, replace or substitute for anthologies or collective works.
- 6. Copying of "consumable" works such as workbooks, standardized tests, answer sheets, etc.
- 7. Copying that substitutes for the purchase of books, publishers' reprints or periodicals.
- 8. Repeated copying of the same item by the same teacher from term to term.

The above prohibitions do not apply to current news magazines and newspapers.

**Sheet and Recorded Music**

**Permitted Uses:**

- 1. Emergency copies for an imminent performance are permitted, provided they are replacing purchased copies and replacement is planned.
- 2. Multiple copies (one per student) of excerpts not constituting an entire performable unit or more than 10% of the total work may be made for academic purposes other than performances.
- 3. Purchased sheet music may be edited or simplified provided the character of the work is not distorted or lyrics added or altered.

**INSTRUCTION**

4. A single copy of a recorded performance by students may be retained by the district or individual teacher for evaluation or rehearsal purposes.
5. A single copy of recordings of copyrighted music owned by the district or individual teacher may be made and retained for the purpose of constructing exercises or examinations.
6. A single copy of an excerpt that constitutes an entire performable unit (i.e., a movement or aria) may be made, provided it is either:
  - a. Confirmed by the copyright proprietor to be out of print, or
  - b. Unavailable except in a larger work. This may be done by or for a teacher only for scholarly research or in preparation for teaching a class.
7. A single copy of a portion of a sound recording may be made by or for a student, i.e., a song from a record, but not the entire recording. The copy may be used in the educational context in which it was made and may not be sold or performed for profit.

Prohibited Uses:

1. Copying to replace or substitute for anthologies or collections.
2. Copying from works intended to be "consumable."
3. Copying for purposes of performance except as noted in an emergency.
4. Copying to substitute for purchase of music.
5. Copying without inclusion of copyright notice on the copy.
6. Duplication of tapes, unless reproduction rights were given at time of purchase.
7. Reproduction of musical works or conversion to another format, e.g. record to tape.

Videotapes, Films, Filmstrips or Slide Programs

Permitted Uses:

1. A single copy of a portion of a copyrighted film or filmstrip may be made by a student for educational purposes if the material is owned by the school which the student attends.
2. A single copy of a small portion of a film or filmstrip may be made by or for a teacher for scholarly or teaching purposes.
3. Selected slides may be reproduced from a series if reproduction does not exceed 10% of the total or

**INSTRUCTION**

excerpt the essence of the work.

4. A slide or overhead transparency series may be created from multiple sources as long as creation does not exceed 10 percent of photographs in one source (book, magazine, filmstrip, etc.). This may not be done when the source forbids photographic reproduction.
5. A single overhead transparency may be created from a single page of a "consumable" workbook.
6. Sections of a film may be excerpted for a local videotape (not to be shown over cable) if they do not exceed 10% of the total or excerpt the essence of the work. Extreme care must be exercised in copying a small portion of a film or filmstrip; small portions may contain the very essence of the material in question.

Prohibited Uses:

1. Reproduction of an audiovisual work in its entirety.
2. Conversion from one media format to another, e.g., film to videotape, unless permission is secured.
3. No one is permitted to copy any portion of a film or filmstrip sent to the school for preview or rented or owned by another school or institution without the express written permission of the copyright holder. The copyright of a film governs its performance (showing) as well as the copying of it. It is permissible to show a film to students using closed-circuit television if the system is confined to one building. Showing a film via closed-circuit television outside the building is not permitted.

Radio - Off-Air Taping

Permitted Uses:

1. A single copy of a small portion of a copyrighted radio program may be made by a student for educational purposes. Such a copy may not be sold or performed for profit.
2. Copies of broadcasts by national public radio may be made by district employees and retained for an indefinite period for educational purposes.

Prohibited Uses:

Copying broadcasts on commercial radio, except for copyrighted musical selections (see Sheet and Recorded Music), is governed by the same copyright laws that apply to off-air taping of commercial television; however, there is no special provision allowing libraries to tape radio news programs.

Television - Off-Air Taping

Permitted Uses:

**INSTRUCTION**

1. A broadcast program may be recorded off-air simultaneously with broadcast transmission (including simultaneous cable retransmission) and retained for a period not to exceed 45 days. All off-air recordings shall be erased or destroyed at the end of the retention period. Broadcast programs are television programs transmitted for reception by the general public without charge.
2. Off-air recordings may be used once by individual teachers in the course of relevant teaching activities and repeated once only when instructional reinforcement is necessary. These recordings may be shown in classrooms and similar places devoted to instruction within a single building, cluster, or campus, as well as in the homes of students receiving formalized home instruction, during the first 10 consecutive school days in the 45 calendar-day retention period.
3. Off-air recordings may be made only at the request of individual teachers, for use by those teachers. No broadcast program may be recorded off-air more than once at the request of the same teacher, regardless of the number of times the program may be broadcast.
4. A limited number of copies may be reproduced from each off-air recording to meet the legitimate needs of teachers under these guidelines. Each such additional copy shall be subject to all provisions governing the original recording.
5. After the first 10 consecutive school days, off-air recordings may be used up to the end of the 45 calendar day retention period only for teacher evaluation purposes; i.e., to determine whether or not to include the broadcast program in the teaching curriculum; they may not be used for student exhibition or any other nonevaluation purpose without authorization.
6. All copies of off-air recordings shall include the copyright notice on the broadcast programs as recorded.

Prohibited Uses:

1. Off-air recording in anticipation of teacher requests.
2. Using the recording for instruction after the 10-day use period.
3. Holding the recording for weeks or indefinitely because:
  - a. Units needing the program concepts are not taught within the 10-day use period.
  - b. An interruption or technical problems delayed its use.
  - c. Another teacher wishes to use it, or for any other supposedly "legitimate" educational reason.
4. On occasion a special notice is provided with some materials specifically prohibiting reproduction of any kind. Permission to use any part of such works must be secured in writing from the author or producer in accordance with this regulation.
5. Off-air recordings need not be used in their entirety, but the content of recorded programs may not be

**INSTRUCTION**

altered. Off-air recordings may not be physically or electronically combined or merged to constitute teaching anthologies or compilations.

Software Copyright

Permitted Uses:

Copies of district-owned software may be made only when:

1. The copy is needed as an essential step in using the computer program with a particular machine. This copy is to be used in no other way.
2. The copy is used for archival or "backup" purposes. This copy may be held only as a file copy and must be destroyed when the program is no longer rightfully owned by the district unless the copyright owner authorizes its sale, lease or transfer as part of the sale, lease or transfer of the original program. (17 USC 117)

Prohibited Uses:

1. Copies of copyrighted programs may not be made for any purpose other than the two permitted above.
2. When permission is obtained from the copyright holder to use software on a disk-sharing system, efforts will be made to secure software from copying.
3. Illegal copies of copyrighted programs shall not be made or used on school equipment.

(cf. 4132/4232/4332 - Publication or Creation of Materials)

**What is workers' compensation?** Its purpose is to insure that an employee who is found to sustain an industrial injury or illness will be provided with benefits to medically cure or relieve them from the effects of the injury/illness, provide temporary compensation when they are medically unable to perform any occupational function, compensation for any residual handicap and/or impairment of bodily function, benefits for dependents if an employee dies as a result of an injury/illness, protection from discrimination by his/her employer because of the injury/illness.

**Am I Covered?** Nearly every person employed in California is protected by workers' compensation, however there are a few exceptions. People that are self-employed or volunteer workers may not be covered. Similar laws cover federal and maritime workers. York Risk Services Group (York) is your employer's claims administrator. Your employer or York can answer any questions you might have about coverage.

**What Does Workers' Compensation Cover?** If you have an injury/illness due to your job, it is covered. The cause can be a single event, like a fall or it can be due to repeated exposures, such as hearing loss due to constant loud noise. Injuries ranging from first-aid to serious accidents are covered. Even injuries related to a workplace crime, such as psychological or physical injuries, are covered under workers' compensation. Some injuries that result from voluntary activity, such as off duty social or athletic activities may not be covered. Check with your employer or York if you have questions. Coverage begins the moment you start your job. There is no probationary period or wage rate.

**Duty Of The Employee.** Immediately notify your employer or York so you can get the medical help that you need without delay. If your injury is greater than a first-aid injury, your supervisor will give you a Claim Form (Form DWC-1) for you to describe where, when and how it happened. To submit a claim, fill out the "Employee" section of the DWC-1. Keep one copy of this form and give the remaining pages to your supervisor. Your employer will fill out the "Employer" section and return a signed and dated copy of the form to you. Your employer will keep a copy of this form and forward another to York. York is in charge of handling your claim and informing you about your eligibility for benefits.

Your claim benefits do not start until your employer knows about your injury, so report and file the DWC-1 as quickly as possible. California law requires your employer to authorize medical treatment within one working day of receipt of your Claim Form. Employers are liable for up to \$10,000 in treatment pending a decision by York for a claim to be accepted or rejected. Waiting to report may delay workers' compensation benefits. You may not receive benefits if you fail to file a claim within one year of the date of injury, the date you know the injury was work related, or the date benefits were last provided.

**Duty of the Employer:** Provide this form to every employee at the time of hire or by the end of their first pay period.

Within one working day, upon knowledge or notice from any source of a work injury/illness greater than first-aid, provide the employee with a Claim Form (DWC-1) and authorize medical treatment and report the claim to York Risk Services Group.

**What are the benefits?** You may be entitled to various kinds of benefits under California workers' compensation law including:

**Medical Care:** Medical treatment that is reasonably required to cure or relieve the injured worker from the effects of the injury/illness. There is no deductible or co-payment. These medical benefits may include lab tests, physical therapy, hospital services, medication and treatment by a doctor.

State law limits certain medical services as of January 1, 2004. You should never receive a medical bill. If additional treatment is necessary, York will coordinate medical care that meets applicable treatment guidelines for the injury. The doctor may be a specialist for your specific type of injury, and he or she will be familiar with workers' compensation requirements and will report promptly to York so your benefits can be paid.

The physician with overall responsibility for treating your injury/illness is your primary treating physician (PTP). The PTP decides what kind of medical care you need and if you have work restrictions. If necessary, the PTP will review your job description with you and your employer to define any limitation or restrictions that you may have. This doctor also is responsible for coordinating care between other medical providers and will write reports about any permanent impairment of bodily function(s) or the need for future medical care. Generally, your employer selects the PTP you will see for the first 30 days, but if you want to change doctors for any reason, ask your employer or York. They're as interested as you are in your prompt recovery and return to work and will select a different doctor for you. If your employer has a Medical Provider Network (MPN) you will be directed to treat with a physician within the MPN and different rules apply regarding changing your physician.

You can be treated by your personal physician or medical group immediately if you have health care insurance for injuries or illness that are not work related, and your physician agrees in advance to treat you for any work injuries/illnesses and has previously directed your treatment and retains your medical records and agrees, prior to your injury/illness, to treat you for workplace injuries/illnesses and you gave your employer your physician's name and address in writing before the injury. You may use the form inside of this pamphlet or your employer may have a form for you to use.

If you give the name of your personal chiropractor or acupuncturist, different rules apply, and you may need to see an employer-selected physician first.

**Temporary Disability Benefits:** If you are not medically able to work for more than three days due to your work-related injury, counting weekends, you have a right to temporary disability (TD) payments to assist substituting your lost wages. After two weeks from reporting the injury, you will receive a check. If your employer has a salary continuation plan, your benefit may be included in your regular paycheck. TD is payable every 14 days until the doctor states you can return to work (Payments won't be made for the first three days, though, unless you're hospitalized as an inpatient or unable to work more than 14 days). The amount of the payments will be two-thirds of your average wage, subject to minimums and maximums set by the state legislature. Although the TD payment will not be the full amount of your regular paycheck, there are no deductions and the payments are tax-free. For injuries occurring on or after January 1, 2008, TD payments are limited to 104 compensable weeks within five years of date of injury. For a few long-term injuries such as chronic lung disease or severe burns, TD payments can last up to 240 weeks within five years from the date of injury. If you reach the maximum TD payment period before you can return to work or before your condition becomes permanent and stationary. See the "Other Benefits" section of this pamphlet for additional information. A timely filing with Employment Development Department may result in additional State Disability benefits when TD benefits are delayed, denied, or terminated.

**Permanent Disability:** If your doctor says your injury will always leave you with some permanent impairment of bodily function(s), you may receive permanent disability (PD) payments. The amount depends on the doctor's report, how much of the PD was directly caused by your work, and factors such as your age, occupation, type of injury, and date of injury. State law determines minimum and maximum amounts, and they vary by injury date. If you are entitled to PD, York will send you a letter explaining how the benefit was calculated. If the injury

causes PD, the first payment of PD benefits is made within 14 days after the last payment of TD, unless your employer has offered you a position that pays at least 85% of your date of injury wages or if you are returned to a position that pays you 100% of the wages and, compensation paid to you on the date of injury, the PD would be paid after an Award issues.

**Supplemental Job Displacement Benefit (SJDB):** If you have a permanent whole person impairment, the eligibility for SJDB begins when your employer does not offer regular work, permanent, modified, or alternative work within 60 days of the receipt of a doctor's Medical Maximum Improvement (MMI) report. This is a nontransferable voucher for education-related retraining and/or skill development at state-approved schools, tools, licensing, certification fees and other resources as possible benefits. If you qualify for the supplemental job displacement benefit, York will provide a voucher up to a maximum of \$6,000.

**Death Benefits:** If the injury/illness causes death, payments may be made to your dependents. State law sets these benefits and the total benefit depends on the number of dependents. The payments are made at the same rate as TD payments. In addition, workers' compensation provides a burial allowance.

**Discrimination:** It is a violation of Labor Code Section 132(a) and illegal for your employer to punish or fire you for having a workplace injury/illness, for filing a claim or for testifying in another person's workers' compensation case. If your employer is found guilty of discrimination, you would be entitled to increased benefits, reinstatement and reimbursement for lost wages and benefits.

**Other Benefits:** Sometimes people confuse workers' compensation with State Disability Insurance (SDI). Workers' compensation covers on-the-job injuries/illnesses and is paid for by your employer or their insurance. On the other hand, SDI covers off-the-job injuries or sicknesses, and is paid for by deductions from your paycheck. If you are not getting workers' compensation benefits, you may be able to get State Disability benefits. Contact the local office of the State Employment Development Department listed in the government pages of your phone book for more information.

You may be eligible to access the return-to-work fund, for the purposes of making supplemental payments to injured worker's whose PD benefits are disproportionately low in comparison to their earnings loss. If you have questions or think you qualify, contact the Information & Assistance office listed in this pamphlet or visit the DIR website at: [www.dir.ca.gov](http://www.dir.ca.gov).

**If You Still Have Questions...**ask your supervisor or employer representative. Or contact York at the number indicated on workers' compensation posters at work and on this brochure. You can also contact the State Division of Workers' Compensation (DWC) and speak with an Information and Assistance Officer. These officers are available to review problems, answer questions and provide additional written information about workers' compensation at no charge. Division 1. Department of Industrial Relations

Chapter 4.5. Division of Workers' Compensation

Subchapter 1. Administrative Director -Administrative Rules

[Article 5](#). Predesignation of Personal Physician; Request for Change of Physician; Reporting Duties of the Primary Treating Physician; Petition for Change of Primary Treating Physician

**§ 9785. Reporting Duties of the Primary Treating Physician.**

(a) For the purposes of this section, the following definitions apply:

(1) The "primary treating physician" is the physician who is primarily responsible for managing the care of an employee, and who has examined the employee at least once for the purpose of rendering or prescribing treatment and has monitored the effect of the treatment thereafter. The primary treating physician is the physician selected by the employer, the employee pursuant to Article 2 (commencing with section 4600) of Chapter 2 of Part 2 of Division 4 of the Labor Code, or under the contract or procedures applicable to a Health Care Organization certified under section 4600.5 of the Labor Code, or in accordance with the physician selection procedures contained in the medical provider network pursuant to Labor Code section 4616.

(2) A "secondary physician" is any physician other than the primary treating physician who examines or provides treatment to the employee, but is not primarily responsible for continuing management of the care of the employee.

(3) "Claims administrator" is a self-administered insurer providing security for the payment of compensation required by Divisions 4 and 4.5 of the Labor Code, a self-administered self-insured employer, or a third-party administrator for a self-insured employer, insurer, legally uninsured employer, or joint powers authority.

(4) "Medical determination" means, for the purpose of this section, a decision made by the primary treating physician regarding any and all medical issues necessary to determine the employee's eligibility for compensation. Such issues include but are not limited to the scope and extent of an employee's continuing medical treatment, the decision whether to release the employee from care, the point in time at which the employee has reached permanent and stationary status, and the necessity for future medical treatment.

(5) "Released from care" means a determination by the primary treating physician that the employee's condition has reached a permanent and stationary status with no need for continuing or future medical treatment.

(6) "Continuing medical treatment" is occurring or presently planned treatment that is reasonably required to cure or relieve the employee from the effects of the injury.

(7) "Future medical treatment" is treatment which is anticipated at some time in the future and is reasonably required to cure or relieve the employee from the effects of the injury.

(8) "Permanent and stationary status" is the point when the employee has reached maximal medical improvement, meaning his or her condition is well stabilized, and unlikely to change substantially in the next year with or without medical treatment.

(b)(1) An employee shall have no more than one primary treating physician at a time.

(2) An employee may designate a new primary treating physician of his or her choice pursuant to Labor Code §§ 4600 or 4600.3 provided the primary treating physician has determined that there is a need for:

(A) continuing medical treatment; or

(B) future medical treatment. The employee may designate a new primary treating physician to render future medical treatment either prior to or at the time such treatment becomes necessary.

(3) If the employee disputes a medical determination made by the primary treating physician, including a determination that the employee should be released from care, the dispute shall be

resolved under the applicable procedures set forth at Labor Code sections 4061 and 4062. If the employee objects to a decision made pursuant to Labor Code section 4610 to modify, delay, or deny a treatment recommendation, the dispute shall be resolved pursuant to Labor Code section 4610.5, if applicable, or otherwise pursuant to Labor Code section 4062. No other primary treating physician shall be designated by the employee unless and until the dispute is resolved.

(4) If the claims administrator disputes a medical determination made by the primary treating physician, the dispute shall be resolved under the applicable procedures set forth at Labor Code sections 4610, 4061 and 4062.

(c) The primary treating physician, or a physician designated by the primary treating physician, shall make reports to the claims administrator as required in this section. A primary treating physician has fulfilled his or her reporting duties under this section by sending one copy of a required report to the claims administrator. A claims administrator may designate any person or entity to be the recipient of its copy of the required report.

(d) The primary treating physician shall render opinions on all medical issues necessary to determine the employee's eligibility for compensation in the manner prescribed in subdivisions (e), (f) and (g) of this section. The primary treating physician may transmit reports to the claims administrator by mail or FAX or by any other means satisfactory to the claims administrator, including electronic transmission.

(e)(1) Within 5 working days following initial examination, a primary treating physician shall submit a written report to the claims administrator on the form entitled "Doctor's First Report of Occupational Injury or Illness," Form DLSR 5021. Emergency and urgent care physicians shall also submit a Form DLSR 5021 to the claims administrator following the initial visit to the treatment facility. On line 24 of the Doctor's First Report, or on the reverse side of the form, the physician shall (A) list methods, frequency, and duration of planned treatment(s), (B) specify planned consultations or referrals, surgery or hospitalization and (C) specify the type, frequency and duration of planned physical medicine services (e.g., physical therapy, manipulation, acupuncture).

(2) Each new primary treating physician shall submit a Form DLSR 5021 following the initial examination in accordance with subdivision (e)(1).

(3) Secondary physicians, physical therapists, and other health care providers to whom the employee is referred shall report to the primary treating physician in the manner required by the primary treating physician.

(4) The primary treating physician shall be responsible for obtaining all of the reports of secondary physicians and shall, unless good cause is shown, within 20 days of receipt of each report incorporate, or comment upon, the findings and opinions of the other physicians in the primary treating physician's report and submit all of the reports to the claims administrator.

(f) A primary treating physician shall, unless good cause is shown, within 20 days report to the claims administrator when any one or more of the following occurs:

(1) The employee's condition undergoes a previously unexpected significant change;

(2) There is any significant change in the treatment plan reported, including, but not limited to, (A) an extension of duration or frequency of treatment, (B) a new need for hospitalization or surgery, (C) a new need for referral to or consultation by another physician, (D) a change in methods of treatment or in required physical medicine services, or (E) a need for rental or purchase of durable medical equipment or orthotic devices;

(3) The employee's condition permits return to modified or regular work;

(4) The employee's condition requires him or her to leave work, or requires changes in work restrictions or modifications;

(5) The employee is released from care;

(6) The primary treating physician concludes that the employee's permanent disability precludes, or is likely to preclude, the employee from engaging in the employee's usual occupation or the occupation in which the employee was engaged at the time of the injury;

(7) The claims administrator reasonably requests appropriate additional information that is necessary to administer the claim. "Necessary" information is that which directly affects the provision of compensation benefits as defined in Labor Code Section 3207.

(8) When continuing medical treatment is provided, a progress report shall be made no later than forty-five days from the last report of any type under this section even if no event described in paragraphs (1) to (7) has occurred. If an examination has occurred, the report shall be signed and transmitted within 20 days of the examination.

Except for a response to a request for information made pursuant to subdivision (f)(7), reports required under this subdivision shall be submitted on the "Primary Treating Physician's Progress Report" form (Form PR-2) contained in Section 9785.2, or in the form of a narrative report. If a narrative report is used, it must be entitled "Primary Treating Physician's Progress Report" in bold-faced type, must indicate clearly the reason the report is being submitted, and must contain the same information using the same subject headings in the same order as Form PR-2. A response to a request for information made pursuant to subdivision (f)(7) may be made in letter format. A narrative report and a letter format response to a request for information must contain the same declaration under penalty of perjury that is set forth in the Form PR-2: "I declare under penalty of perjury that this report is true and correct to the best of my knowledge and that I have not violated Labor Code § 139.3."

By mutual agreement between the physician and the claims administrator, the physician may make reports in any manner and form.

(g) As applicable in section 9792.9.1, a written request for authorization of medical treatment for a specific course of proposed medical treatment, or a written confirmation of an oral request for a specific course of proposed medical treatment, must be set forth on the "Request for Authorization of Medical Treatment," DWC Form RFA, contained in section 9785.5. A written confirmation of an oral request shall be clearly marked at the top that it is written confirmation of an oral request. The DWC Form RFA must include as an attachment documentation substantiating the need for the requested treatment.

(h) When the primary treating physician determines that the employee's condition is permanent and stationary, the physician shall, unless good cause is shown, report within 20 days from the date of examination any findings concerning the existence and extent of permanent impairment and limitations and any need for continuing and/or future medical care resulting from the injury. The information may be submitted on the "Primary Treating Physician's Permanent and Stationary Report" form (DWC Form PR-3 or DWC Form PR-4) contained in section 9785.3 or section 9785.4, or in such other manner which provides all the information required by Title 8, California Code of Regulations, section 10606. For permanent disability evaluation performed pursuant to the permanent disability evaluation schedule adopted on or after January 1, 2005, the primary treating physician's reports concerning the existence and extent of permanent impairment shall describe the impairment in accordance with the AMA Guides to the Evaluation on Permanent Impairment, 5th Edition (DWC Form PR-4). Qualified Medical Evaluators and Agreed Medical Evaluators may not use DWC Form PR-3 or DWC Form PR-4 to report medical-legal evaluations.

(i) The primary treating physician, upon finding that the employee is permanent and stationary as to all conditions and that the injury has resulted in permanent partial disability, shall complete the "Physician's Return-to-Work & Voucher Report" (DWC-AD 10133.36) and attach the form to the report required under subdivision (h).

(j) Any controversies concerning this section shall be resolved pursuant to Labor Code Section 4603 or 4604, whichever is appropriate.

(k) Claims administrators shall reimburse primary treating physicians for their reports submitted pursuant to this section as required by the Official Medical Fee Schedule.
